

Dear Parents,

This is to inform you that for September 2017. We are going to have Theme 4th i.e "SEASON". Yes dear parents this is the time to make our kids familiarize with the seasons, to make them understand changes in the weather ,which clothes we wear in that particular season which fruit/vegetable/food we should eat and which all things we use most in that particular "SEASON".

So kindly send pictures and its information according to the topics given below .On 8th September 2017.students will express on the given topic according to the expression date given. Students have to speak at least two lines on the topic (**Example:** If the student have got the topic "Sunglasses". 1. We use sunglasses to protect over eyes from sun. 2. Mostly we use sunglasses in summer season. Thank you).

Objectives: To make student recognize different types of Season (Winter, Summer, Rainy)

* Topic for the Theme base month are as follows:
