

**JINDAL VIDYA MANDIR, VINAYAKWADI**  
**A.Y. 2017-18 (CIRCULAR NO: 102)**  
**SCIENCE EXHIBITION**  
*FOR: (VI TO X)*

**DATE:** 23<sup>rd</sup> August 2017

Dear Parents & Students,

Greetings!

We are heading towards Ganapati Vacation, hence JVM wishes you pious, devotional and happiest ever Ganesh Chaturthi. May Lord Ganesh showers everything you desire upon you.

As you know, JVM has a tradition of celebrating Science month every year where we observe Science Exhibition to tend students to explore their inherent scientific talents.

This year JVM has decided to arrange Science Exhibition for the classes from VI to X from 1<sup>st</sup> October 2017 to 31<sup>st</sup> October 2017. This definitely is an opportunity to each child to exhibit his / her creativeness out of what he/she has learnt till today in the school and outside. Date of interclass exhibition will be 28<sup>th</sup> October 2017. The name of our exhibition will be "Edu-Manifestation".

**Title:** My quest of discoveries.

**Objectives:-**

- To make them apply the knowledge they have acquired.
- To bring-up the scientific temperament in the school.
- To make them develop scientific attitudes in ones-self.
- To make child know his/her hidden potentials.
- To make child know how to cope-up with known & unknown challenges.

**Maintheme:** My contribution to the field of Science.

Children are expected to create everything related to their chosen project but we the parents and teachers need to assist them at their needy times during the process.

Parents, please make and help child to remain environment friendly at their creativeness by avoiding polluting materials like plastic, thermocol, etc. All models must be strictly working only will be entertained. So, whatever required for the project get done ready to be fitted or assembled at home itself. Minor carpentry and electrical assistance will be provided by the school.

**Theme & sub-themes for the Science Exhibition 2017-18.**

Themes	Sub-theme
<ul style="list-style-type: none"><li>• Science &amp; Technology.</li><li>• Environment</li></ul>	<ul style="list-style-type: none"><li>• New ways of energy production.</li><li>• Recent innovation in Science and Technology.</li><li>• Innovation and inventions in the field of Bio.</li></ul>
